

I AM the dedicated child  
my love is AS big AS the world  
you just give me A mission  
AND I will be your girl

I AM the dedicated child  
you CAN just leave me behind  
AND I'll watch over your belongings  
so you CAN free your mind

AND when your search for freedom  
feels like everything is gone  
I'll feel it in my longing AND  
I'll feel it really strong

because I AM the dedicated child  
AND my love is AS big AS the world  
you just give me A mission  
AND I will be your girl
